Hallmark Channel has renewed for a 5th Season, the original scripted series 'CHESAPEAKE SHORES' as the #1 rated cable network show with 2.3 million total views. This series, based on Sherryl Woods' novels, is Hallmark Channel's most-watched original series among women 25-54.

FEATURED TITLES

Woods, Sherryl – *NY Times Bestselling Author*****

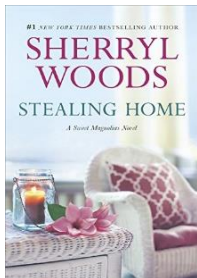

Lilac Lane

Part of the Chesapeake Shores series:

Harlequin, June 2018 Mass Market January 2019

Single mom Kiera Malone struggled for years to raise her three children in a small town on the coast of Ireland. Just when she's let down her guard and allowed herself to love again, her fiancé suffers a fatal heart attack and leaves her alone yet again. Overwhelmed by her loss, she's persuaded to visit her father, Dillon O'Malley, and her daughter, Moira O'Brien, in Chesapeake Shores. With the promise of family ties and a job at O'Brien's, her son-in-law's Irish pub, she takes what seems like the biggest risk of her life.

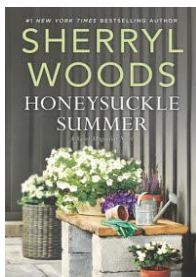

Stealing Home

Book 1 of the Sweet Magnolia series:

Harlequin, Original edition December 2014, NETFLIX will produce the series for TV and streaming throughout the world. To be released June 2020

Maddie Townsend might live in a town called Serenity but there's been nothing calm or peaceful about her life since her marriage broke up. This stay-at-home mom has no job skills, an out-of-control sixteen-year-old son, a talkative fourteen-year-old who's suddenly gone silent, a six-year-old daughter whose heart is broken, an ex-husband whose younger girlfriend is expecting their baby and two best friends who think she's somehow qualified to help them open a fitness spa for women. But if Maddie is a tad on edge with all that on her plate, it's nothing compared to the chaos that ensues when she discovers that her son's baseball coach has feelings for her and the whole town disapproves.

Honeysuckle Summer (reissue)

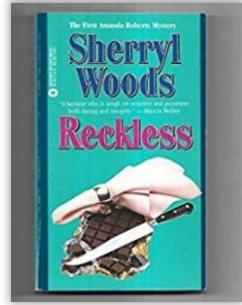

Book 7 of the Sweet Magnolia series:

Harlequin, January 2019

Her devastating marriage behind her, Raylene Hammond is truly thankful for her best friends, the Sweet Magnolias. They've taken her in, shielding her from the world. Then she meets sheriff's deputy Carter Rollins, and suddenly Raylene's haven no longer feels quite so safe.

Reckless – Amanda Roberts Mystery #1 of 9 series

Fiction - Romantic Mystery, March 1990

Rights Available: US and Translation, TV/Film (in negotiations for a major TV series)

Excellent dialogue and witty repartee makes this mystery a stand out. When a world-famous chef drops dead, keeling over in his chocolate soufflé during a department store cooking demonstration attended by savvy journalist Amanda Roberts she is delighted with the scoop. Much to his chagrin, Amanda teams up with burned out, ex-cop store detective Joe Donelli to solve the case. As they battle wits to solve the case, Amanda and Joe manage to uncover the murderer and uncover their well-protected hearts at the same time. Formerly optioned by Aaron Spelling Productions

Amara, HeatherAsh – ***Bestselling Author***

The Warrior Heart Practice:

A Simple Process to Transform Confusion into Clarity and Pain into Peace
St. Martin's Essentials, January 2020

Nonfiction – Personal Growth

Rights Available: TV/Film

A revolutionary process based on the four chambers of the heart and rooted in Toltec wisdom that brings emotional clarity, healing, and freedom

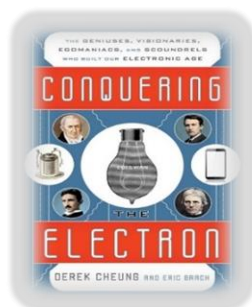

The Warrior Heart Practice is a powerful new method to reconnect with our sense of authenticity and inner-knowing and realign with our true nature. Author of the bestselling book *Warrior Goddess Training*, HeatherAsh Amara has trained extensively in the Toltec tradition under the tutelage of Don Miguel Ruiz.

The Warrior Heart Practice is a revolutionary system based on the four chambered structure of the human heart. Walking through each of the four chambers—Feeling, Story, Truth, and Intent—readers learn to take stock of their current emotional and mental state and reframe their situation in a new, healing light. The process begins in the Feeling chamber as readers accept the emotions they are currently experiencing without fighting or judging them, then continues into the next chamber as they witness the Story that they are telling themselves. In the Truth chamber, they learn to thoughtfully and objectively evaluate the reality of the situation. And in the final chamber, they learn to define and focus their Intent. The last phase of the practice is the most profound—taking the knowledge they have gathered from the four chambers, readers then walk backwards through each of the four chambers, refocusing their Intent, Truth, Story, and Feelings based on what they've learned during the process.

The Warrior Heart Practice leads to deep insights as readers learn to step outside of their preconceptions and realigning with their true purposes and goals.

Falvey, Patricia

The Titanic Sisters
Kensington (US) March 2021

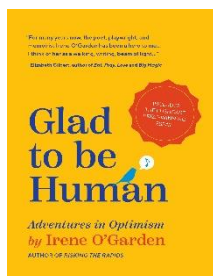

Rights Available: Translation, TV/Film

Rights Sold: UK (Corvus), France (Belfond Editions), Czech Republic (Albatros Media); Audio (Recorded Books)

A sweeping and heartfelt novel of the Titanic, and its impact on one family in Ireland and America. Sisters Nora and Delia have been given the chance of a lifetime - to escape their poor Irish farm and travel on the Titanic to a new life in America. Delia is to become a treasured governess for a rich family, while Nora has only a lowly maid's position. But when disaster strikes, and it appears that Delia dies, a small misunderstanding leads to Nora taking Delia's place as governess. As Nora grows closer to her charge, and the girl's father, will she be able to reveal the truth to find a chance at happiness? And what will happen when she finds out that Delia is actually alive, and coming to take what is rightfully hers...

O’Garden, Irene

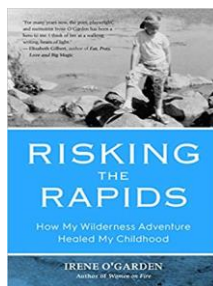

Glad to be Human: Adventures in Optimism

Mango, May 2020

Rights Available: TV/Film

A powerful, personal, positive approach to life that has you finding the joy in life and meaning in its most painful moments, helping us all be “Glad To Be Human.” Award-winning writer Irene O’Garden explores a wide range of practical reasons to celebrate life—just look closely around you. In one essay, she describes the simple pleasure that comes from clearing clutter off a desk—in another, the thrill of visiting the Statue of Liberty.

The book’s grand finale is The Pushcart Prize-winning essay “Glad to be Human.”

Risking the Rapids: How My Wilderness Adventure Healed My Childhood

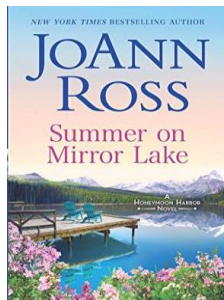

Mango, January 2019

Memoir

Rights Available: TV/Film

Memoir — Portrait of a family at its worst and its best: *Risking the Rapids* opens with the shocking death of O’Garden’s older brother, which prompts her and other relatives to seek closure on a journey through the remotest spot in Montana. Described genially as a river “float”, a harrowing journey unfolds. This wilderness trip is contrasted with O’Garden’s account of growing up with her six siblings in the middle of the country, as a middle child of a clashing Catholic family with an alcoholic father, mean mother and Catholic guilt. “For many years now, the poet, playwright, and memoirist Irene O’Garden has been a hero to me. I think of her as a walking, writing, beam of light. It is my hope that ...numberless others will come to know her gifts and, most of all, her captivating talent for wonder and marvel.” — Elizabeth Gilbert, author of *Eat, Pray, Love* and *Big Magic*

Ross, JoAnn — ****NY Times Bestselling Author****

Summer on Mirror Lake (Book 3 of Honeymoon Harbor Series)

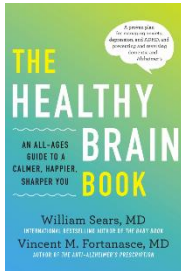

Harlequin, June 2019

Rights Available: TV/Film

When he lands in the emergency room after collapsing at the funeral of a colleague and friend, Wall Street hotshot Gabriel Mannion initially rejects the diagnosis of an anxiety attack. But when warned that if he doesn’t change his adrenaline-fueled, workaholic lifestyle he could end up like his friend, Gabe reluctantly returns to his hometown of Honeymoon Harbor to regroup. As he adjusts to the sight of mountains instead of skyscrapers, Gabe discovers advantages to this small Pacific Northwest town he once couldn’t wait to escape. But it’s irresistible librarian Chelsea Prescott who, along with the two foster children she’s taken under her wing, makes slowing down seem like the best prescription ever.

The Healthy Brain Book: An All-Ages Guide to a Calmer, Happier Smarter You
A Proven Plan for Managing Anxiety, Depression, and ADHD, and Preventing and Reversing Dementia and Alzheimer's

BenBella Publishers, Spring 2020

Rights Available: Translation, TV/Film,

This book engages the reader's mind on every page and distinguishes itself from other brain health books which exhaust the reader into mental fatigue. Mental illness is one of the top medical problems around the world. Dr. William Sears, who has practiced medicine for 50 years and noted neurologist Dr. Vincent Fortanasce, professor of neurology and psychiatry at the University of Southern California School of Medicine and author of the *Anti-Alzheimer's Prescription* provide the latest brain research for think-change-your-brain tools to rewire the brain to think more positively and have fewer negative thoughts. The authors explain how to build a happier and smarter brain with smart foods, smart thinking and smart movements and exercises for the best brain health and how the new science on healthy sleep builds a healthier brain. Easy-to-understand illustrations further explain the concepts.

Black Gold

E. P. Dutton, February 1995

Rights Available: **Translation**, **TV/Film**

Black Gold tells the dramatic yet little-known story of African American wildcat oil drillers in the Wild West Texas of the 1920's. *Giant* meets *Gone with the Wind*. At the center of this powerful novel is Leela Wilder, a proud and beautiful African American woman, torn between two very different men, and struggling for survival and success in the torrent of greed, ambition, intrigue, and prejudice that turned oil-rich Texas farmlands into wellsprings of fabulous fortune in the tumultuous 1920's. When oil fever sweeps over Texas, bankers and drillers see a killing to be made from Leela's land, forcing Leela into a fight for her share of the riches. The stage is set for a drama that plunges Leela into a quickening whirlpool of twisted family ties and shocking secrets, moral betrayal and flaming violence that threaten to destroy everything she possesses. With an unforgettable heroine and a vividly evocative portrayal of strong African American families, *Black Gold* rivets with pride, passion and power. "Exciting, Captivating... Brings to Life a Vivid Chapter in American History." Dan Rather, CBS News "Stunning ... Successfully blends history, fiction and romance in a way that is provocative, compelling, and educational." Something About Sophie

Avon, 2013

Fiction - Contemporary Women's

Rights Available: Translation, TV/Film

Something About Sophie is a story about the destructive forces of guilt. Answering the call to a stranger's deathbed, a reluctant Sophie Shepard is too late to hear what he was so anxious to impart to her about her birth mother. Instead he sets in motion a spiral into madness that will put her in peril as the secrets of her birth begin to emerge and threaten the lives of those involved. It's a story about the power of love ... and the things people will do, both right and wrong, to protect themselves.

What Happened to Hannah

Avon, 2012

Fiction - Contemporary Women's

Rights Available: Translation, TV/Film

What Happened to Hannah is a powerful tale of love, lost childhood, and the secrets that tie a family as closely together as they eventually rip it apart. Hannah Benson fled her home as a teenager, leaving behind a mystery that takes twenty years to solve. Called back to her hometown to take custody of her 15 year-old niece she didn't know existed, Hannah once again meets head-on with the pain and danger of her youth – and the love that saved her life. No longer a frightened girl, she creates a new family and discovers the truth about the secret that has tortured her for decades. The book is an emotional read with characters so real you'll think you've known them forever.

"Blending poignancy with humor, crafting characters as real and recognizable as your next-door neighbor,

Harlequin, May 22, 2018

Fiction - Contemporary Women's

Rights Available: TV/Film

Welcome to Honeymoon Harbor, where unforgettable characters come face-to-face with the kind of love that grabs your heart and never let's go. Brianna Mannion works as a Las Vegas concierge making other people's wishes come true. It's satisfying work, but a visit home to scenic Honeymoon Harbor turns into a permanent stay when she's reminded of everything she's missing: the idyllic small-town charm; the old Victorian house she'd always coveted; and Seth Harper, her best friend's widower and the neighborhood boy she once crushed on—hard. After years spent serving others, maybe Brianna's finally ready to chase dreams of her own.

Snowfall on Lighthouse Lane (Book 2 of the Honeymoon Harbor Series)

Harlequin, October 30, 2018

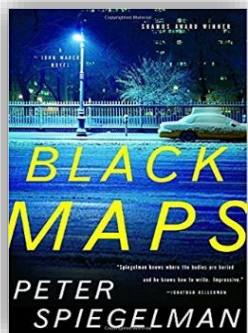

Rights Available: TV/Film

Lose yourself in the magic, charm and romance of Christmas in the Pacific Northwest.

Growing up on the wrong side of the tracks, Jolene Wells is forever indebted to the mother who encouraged her to fly—all the way to sunny LA and a world away from Honeymoon Harbor. Although Jolene vowed never to look back, returning home isn't even a question when her mom faces a cancer scare. Which means running into Aiden Mannion all over town, the first boy she ever loved—and lost—and whom she can barely look in the eye.

Spiegelman, Peter

Black Maps

Knopf, 2004

Fiction - Thriller

Rights Available: Translation, TV/Film

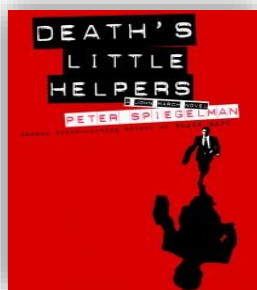

Rights Sold: British (Century UK), Bulgarian (Colibri), Dutch (Quercas), Czech (BB/Art), French (Lattes), Italian (Garzanti Libre), Norwegian (NW Damm), Swedish (Norstedt Forlag)

Winner of the Shamus Award for Best First Novel

First in the John March series, *Black Maps* introduces John March, a private investigator with a dark past of personal tragedy. He's the black sheep of a large, wealthy New York banking family, which runs a prestigious merchant bank. We meet him as a Private Investigator in New York City still running from his grief and guilt. He takes the case of Rick Pierro, a wealthy investment banker threatened by blackmail, and is drawn into a web of Wall Street insiders and outcasts. The more he learns about Pierro's connections to a notorious international bank that made billions in blood-money, the darker the terrain becomes. Soon March's own life is in danger, as he follows a trail of blood and shattered lives to a ruthless and depraved extortionist.

Praise for BLACK MAPS

"There are plenty of things to admire in Peter Spiegelman's debut thriller: the skill with which he quickly makes exciting sense of the crime of international money-laundering, for one, and why it's so hard to uncover and prove. But my favorite is the way he has of doling out the backstory--the reasons why John March, once a happily married police officer in a small town in upstate New York is now a gloomy private detective working for a major Manhattan law firm that specializes in financial misdealing's. Spiegelman turns over March's cards slowly, the way life does, using a terse conversation with his former father-in-law to light one small candle and a passing comment by an attractive new upstairs neighbor to supply some needed warmth." -Chicago Tribune

Death's Little Helpers

Knopf, 2005

Fiction - Thriller

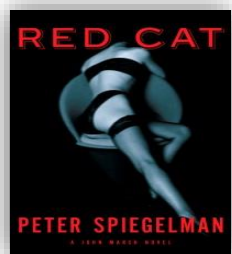

Rights Available: Translation, TV/Film

Rights Sold: British (Century UK)

Death's Little Helpers is set against the backdrop of Wall Street, and peopled with characters that make their living in and around banking, trading and high finance. Herbert Bails was once the star equity analyst often quoted in the financial pages, and a frequent guest on all the business news channels. But when the equity markets collapsed, so did Bails' fortunes, now the former wunderkind is missing, and his ex-wife, Nina Sachs, hires John March to find him.

The College Bound Organizer: The Ultimate Guide to Successful College Applications from Search Through Admission

Mango Media Inc, October 15, 2017

Non-fiction – Workbook Organizer for teens

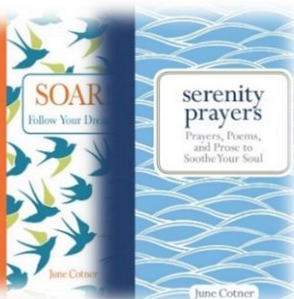

Rights Available: Chinese rights available, TV/Film

The College Bound Organizer is a step-by-step comprehensive guide to organize every step of the college application process from college search through college admission. *The College Bound Organizer* helps students: • Understand what admission officers are looking for in an applicant • Prevent

common mistakes students make on their applications • Build a personal profile • Plan an individualized testing schedule • Research colleges to identify schools that are a good fit • Develop a balanced list of schools • Secure letters of recommendation • Complete and submit applications accurately and on time • Develop the college application essay • Apply for financial aid/scholarships • Ace interviews • Make a final decision

“This "ultimate guide to successful college applications" presents a step-by-step approach to answering the question of "how do I make sense of and start the process?" Includes a foreword by Edward B. Fiske (Fiske Guide to Colleges), tips and worksheets for each step of the process from researching schools and gathering material for the student information form to applying for student aid, and advice from admissions professionals." - *Book News Inc.*

McGill, Billy & Brach, Eric

Billy “The Hill” and the Jump Hook: The Autobiography of a Forgotten Basketball Legend

University of Nebraska Press, 2013

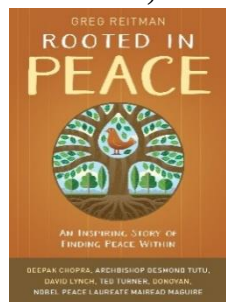

Non-fiction – Sports

Rights Available: [Audio](#), [TV/Film](#)

Growing up on the hardscrabble streets of L.A. in the late 1950s, Billy McGill stood out. At fifteen he was playing in pickup games against Bill Russell and Wilt Chamberlain—and holding his own, in part because he invented the jump hook shot, which no one could defend. How he went from college phenom, well on his way to becoming the greatest player L.A. ever produced, to sleeping in abandoned houses and washing up in a laundromat sink is the story Billy “the Hill” McGill recounts here. A cautionary tale.

Rooted in Peace

Llewellyn Worldwide LYD, September 8, 2018

Memoir with interviews: Self-Help,

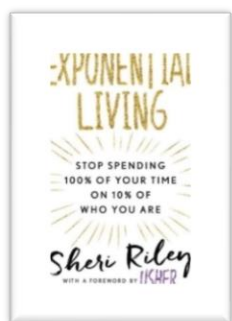

Rights Sold: Audio (Brilliance), **TV/Film** – **Blue Water Entertainment**

WINNER OF THE 2019 SILVER MEDAL IN THE LIVING NOW BOOK AWARDS

Rooted in Peace is a book for those who want to cultivate peace within themselves.

Filmmaker and author Greg Reitman shares the transformative power in taking notice of the world we live in, stopping the cycle of violence, and proactively seeking ways to find personal and social balance. Providing advice from environmentalists, spiritual teachers, and those who deeply understand the links between head and heart, this book shares inspiration for engaging with your own sense of inner peace. Featuring interviews with luminaries and activists such as Al Gore, Desmond Tutu, Deepak Chopra, Pete Seeger, Dr. Mehmet Oz, and many others, *Rooted in Peace* offers wisdom for your journey toward compassion and enlightenment. ***BASED on the award-winning documentary of the same name.***

Riley, Sheri

Exponential Living: Stop Spending 100% of Your Time on 10% of Who You Are

Berkley Books, February 2017

Non-fiction - Self-Help

Rights Available: Translation, TV/Film

Rights Sold: Romanian (Niculescu) **Vietnamese** (Minh Long Publishing) **Audio** (Penguin Random House), **Video Conference** (Creative Live)

As a record executive, Sheri Riley saw high achievers and successful people spending 100% of their time focusing on 10% of who they are and ignoring all other aspects of their lives. Riley, a Personal Development/Leadership Coach and Life Strategist, offers 9 Principles of *Exponential Living*® to address this imbalance. Each step includes real life examples, interviews, exercises, and open-ended questions from her training sessions. Readers identify their strengths, are urged to move outside their comfort zones, keep a positive attitude despite challenges, and remain faithful to their beliefs. Riley consults with celebrities, professional athletes, entrepreneurs, corporate executives, and high achievers. She is a Founding Partner of John Maxwell's Global Coaching, Speaking and Training Team and serves as one of three personal development instructors for Steve Harvey's Radical Success Institute.

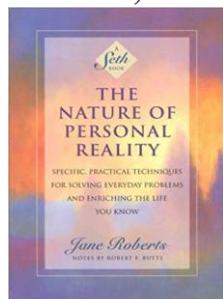

Forward written by Usher, the legendary pop star.

"I'm always on the lookout for the next amazing voice in the empowerment category and I think I've found it in Sheri Riley. With her book Exponential Living: Stop Spending 100% of Your Time on 10% of Who You Are, the former record label executive gives us all the tools we need to succeed." – **Essence Magazine, February 2017**

Breaking into the Boys' Club: The Complete Guide for Women to Get Ahead In Business

Taylor Publishing, Revised 2014

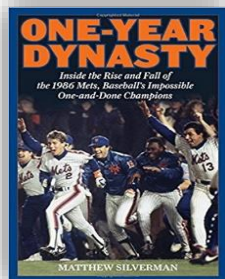

Non-fiction – Business

Rights Available: Translation, Audio, TV/Film

Rights Sold: Czechoslovakian

Women across the globe are making painfully slow progress climbing the ladder to positions of corporate power. Though women continue to become more educated, and are increasingly an important part of the workforce talent, less than a quarter of senior business positions are held by women, the average percentage of women on boards in Europe as a whole is just 12%, and only 3.5% of the CEOs in Australia are female. *Breaking Into the Boys' Club* is a practical guide for women striving to get ahead in the workplace – straight talk about business mistakes women often make and how to remedy them. Molly Shepard is the CEO and founder of one of the world's largest career development firms.

Silverman, Matthew

One-Year Dynasty: Inside the Rise and Fall of the 1986 Mets, Baseball's Impossible One-and-Done Champions

Taylor Trade Publishing, 2016

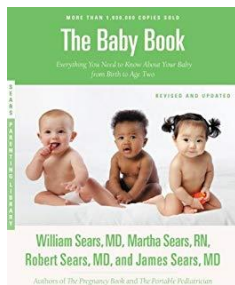

Non-fiction – Sports

Rights Available: Audio, TV/Film

Relive the games, moves, and players of the hard-hitting team that won the 1986 World Series. Vin Scully called the tenth-inning groundball in Game Six of the 1986 World Series—Mets versus Red Sox—that sealed a comeback, fueled a curse, and turned a batting champion into a scapegoat. But getting there was a long, hard slog with plenty of heartache. After being knocked out of contention the previous two seasons, the Mets blasted through the National League that year. Matt Silverman covers famous baseball players including: Ron Darling, Dwight Gooden, Keith Hernandez, Darryl Strawberry, and more. In adaption of the infamous partying and excess, Silverman recounts in this book, step by step, the team's meteoric rise in 1986, when they cap

The Attachment Parenting ***Bestseller***

Little, Brown & Company, 2001

Rights Available: British, Translation, TV/Film

Rights Sold: Audio (Blackstone), Croatian (Mladinska Knijga Zalozba), Czech (Argos.), Turkish (Dogan Egmont), German (Tologo Verlag), Polish (Mamania Anna), Greek (Gordon Hellas), Dutch (Samsara Uitgeverij BV), Vietnamese (Quanguan Books and Media Joint), Serbian (Publik Praktikum)

The Attachment Parenting Book is one of the most popular books worldwide because it describes the basis of the Sears' parenting philosophy. As the Sears' Mission Statement, *Attachment Parenting* is a popular style of parenting that builds brighter, more confident and better-behaved babies. Both science and experience validate this. Parents who have babies later in life and infertile couples now able to conceive with in vitro fertilization often prefer this high-touch, high-responsive, and high-reward style of parenting. They are eager for parenting style resources. *Attachment Parenting* provides practical tools on how to enjoy this style of parenting.

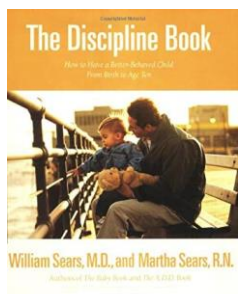

The Birth Book: Everything You Need to Know to Have a Safe & Satisfying Birth

Little, Brown & Company, 2001

Parenting the Fussy Baby and High-Need Child

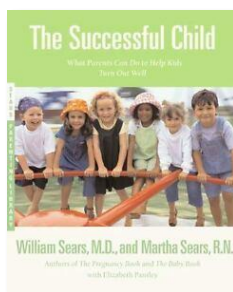

Little, Brown & Company, 1996

Rights Available: Translation, TV/Film

Rights Sold: British (HarperCollins UK), Polish (Relacja), Simplified Chinese (Beijing Mediatime Books),

Call them “fussy babies” or “challenging children” -- whatever the label, some kids truly stretch their parents. Using a kinder and more accurate term, “high-need children,” Bill and Martha Sears draw on their personal experience with their own high-need children, plus their many years of counseling parents of high-need

children, and present practical wisdom on thriving and surviving the parenting years. By teaching parents how to identify these children early and how to give them the tools they need to succeed in life, the Sears show how parents and children can bring out the best in each other.

The Successful Child: What Parents Can Do to Help Kids Turn Out Well

Little, Brown & Company, 2002

Rights Available: British, Translation, TV/Film

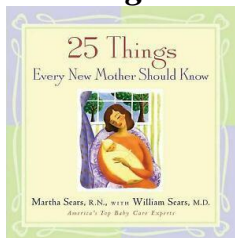

Rights Sold: Simplified Chinese (Beijing Mediatime Books), Turkish (Yakamoz Yayincilik.), Korean (Prunyuka), German (Tologo Verlag)

In this book, the Sears's bring the reason and common sense of their philosophy of parenting to the hurdles of raising the older child. Attachment parenting is not just for babies; as children grow, they need to expand the web of their secure attachments to friends, teachers, community and the wider world. As there is no single plan for any one family, the Sears's show a range of ways a parent can retain a child's trust and wield a positive influence as their child matures. By following the advice laid out in this book, parents can see that the bonds they have nurtured since infancy will provide the anchor that will ground their children through the challenging teen years to adult

The Autism Book

Little, Brown & Company, 2010

Rights Available: Translation, TV/Film

With the continuing rise in autism, early detection and intervention is critical. Dr. Bob Sears provides parents with all the tools they need to detect developmental problems at the earliest possible age. *The Autism Book* offers indispensable information, a complete treatment plan, and extensive resources to assist parents in navigating the maze of autism. Dr. Sears also provides a simple and clear explanation of the integrative treatment approach that he has used successfully with many of his young patients. A comprehensive guide to detecting, treating, and preventing autism.

Sears Robert W., M.D. & Sears, William, M.D.

The Allergy Book

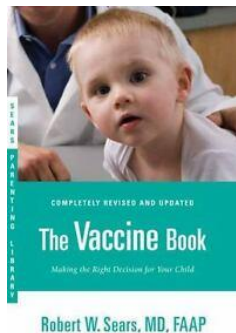

Little, Brown & Company, 2015

Rights Available: Translation, TV/Film

Rights Sold: Chinese Simplified (ThinKingdom), Romanian (MultiMedia), Poland (Grupa)

Allergic disorders plague children at an alarming rate. Twenty percent of children suffer through their early years with stuffy noses, itchy skin, and irritated bellies; these years of chronic inflammation take their toll. Left undiagnosed, untreated, and unresolved, a child can grow up with an unhealthy immune system and nervous system that can lead to chronic asthma, eczema, inflammatory bowel disease, and neurological disorders. Solving a child's allergic puzzle in the early years can lead to a life of health and happiness. This is best accomplished through a combination of traditional and natural medicine: using the standard medical approach of allergy testing, allergen removal, treatment to suppress symptoms, and desensitizing the immune system with allergy shots, combined with safe and effective natural treatment approaches and diet changes that reduce a child's allergic reactivity. "I have suffered from allergies and asthma most of my life, and I share how I have achieved healing and resolution from my own allergies," says Dr. Sears.

Sears, Robert W., M.D.,

The Vaccine Book

Little, Brown & Company, 2007, 2011 Revised Edition

Rights Available: Translation, TV/Film

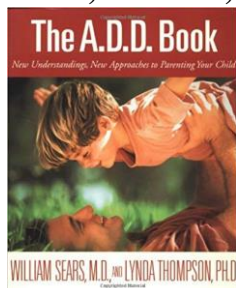

Rights Sold: Korean (Tindrum), Czech (Argo), Chinese (ThinKingdom)

When you're considering what vaccinations are right for your child and when to administer them, there's a lot to think about. And with so much conflicting information available today, these decisions can seem overwhelming. Dr. Bob Sears offers help. In this first-ever, authoritative, open-minded guide to childhood vaccinations, he provides an in-depth, up to date look at each disease/vaccine pair and covers everything you need to know. In a clear, accessible tone, Dr. Sears lays out the reasons both for and against administering each vaccine and provides the essential tools for making informed decisions about your child's health. The revised edition offers updated information on vaccines, the side effects, combination vaccines, additional options for alternative vaccine schedules, and much more.

Currently written for the US market, Dr. Sears will adapt this book to address the specifics of each country in which it is published

SEARS PARENTING LIBRARY - Nonfiction

Sears, William, M.D.

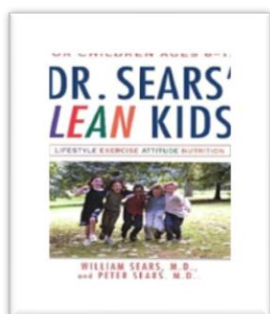

The A.D.D. Book

Little, Brown & Company, 1998

Rights Available: Translation, TV/Film

A unique and exciting book for the hundreds of thousands of parents who are unhappy with the choice of Ritalin and associated drugs for their kids with ADD-- Attention Deficit Disorder. The book explains what ADD is, and what it isn't--and how to tell if your child is affected. As well, the Sears offer a comprehensive guide to different strategies and methods for managing ADD. They explore options besides Ritalin, including an innovative technique called Neurofeedback.

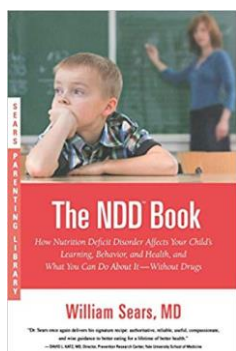

The L.E.A.N. Program for Kids

New American Library, 2003

Rights Available: British, TV/Film, Ebook, Audio

Dr. Sears presents a roadmap for children's health in an all-in-one book based on the synergy among the four pillars of health- Lifestyle, Exercise, Attitude and Nutrition. This is not just a "diet book" for children. The LEAN KIDS Program is being used as a pilot program for the Boys and Girls Club of Southern California.

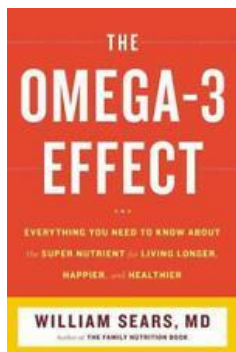

The N.D.D. Book: How Nutrition Deficit Disorder Affects Your Child's Learning, Behavior, and Health, and What You Can Do About It – Without Drugs

Little, Brown & Company, 2009

Rights Available: British, Translation, TV/Film

Nutrition Deficit Disorder, or N.D.D., is based on the idea that if "you put junk food into a child's brain, you get back junk behavior and learning." Dr. Sears explores the latest scientific research on the effects of nutrition on the brain, presenting case studies of his own patients with A.D.D., learning issues, and more. Instead of medicating his patients, Dr. Sears looked for a better solution. With simple diet changes, his patients showed major improvement in learning and behavior and were able to greatly reduce or even stop their medication. The *N.D.D. Book* is a must-have for all parents who want to help their children become healthier, happier, and better prepared to learn.

Dr. SEARS BOOKS FOR ADULT HEALTH - Nonfiction

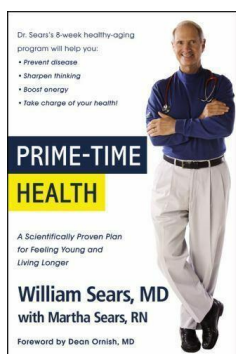

The Omega-3 Effect

Little, Brown & Company, 2012

Rights Available: British, [Translation](#), [TV/Film](#)

In *The Omega-3 Effect*, physician and healthcare author Dr. William Sears offers a practical and science-made-simple approach to a more healthful life for the entire family. Omega-3s play a critical role in the body. By adding just one vital nutrient to your diet you'll discover how omega-3s contribute to: a healthier heart; a smarter brain; happier moods; healthier pregnancies; smarter and healthier babies; better-behaved children; smoother skin clearer vision, and stronger bones; reduced inflammation; stronger immune system and faster wound healing; better weight control; and slowed aging. Based on extensive research and written in the wise, accessible tone that has made Dr. Sears a household name, the book offers useful, sound guidance on the myriad health benefits of omega-3.

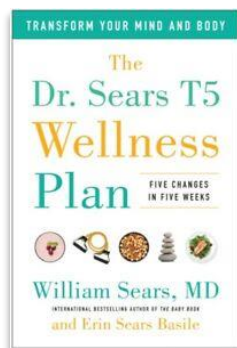

Prime-Time Health: A Proven Plan for Living Younger Longer

Little, Brown & Company, 2010

Rights Available: [Translation](#), [TV/Film](#)

For the first time, Dr. William Sears, America's foremost pediatrician, provides health advice to his own generation—baby boomers and beyond—in this comprehensive guide for staying healthy as you age. In 1997, Dr. Sears was diagnosed with colon cancer. He shares his personal experiences how this diagnosis was a catalyst for transforming his own life. The result of 12 years of his research, the book applies decades of clinical experience showing how to begin and maintain lifestyle changes. These changes make a powerful difference in one's health and well-being—and much more quickly than had once been thought possible. Dr. Sears takes the reader through the major organs and systems of the body, describing how each works and how to

Sears, William, M.D. & Sears, Erin, M.A.

The Dr. Sears T5 Wellness Plan: Five Changes in Five Weeks

BenBella Publishers, December 2017 Paperback Release January 2019

Rights Available: [Translation](#), [TV/Film](#)
